

Sullair 24KT™

Long-Life Compressed Air Fluid

For over a quarter of a century, thousands of customers have experienced the benefits of Sullair's 24KT™ compressor fluid.

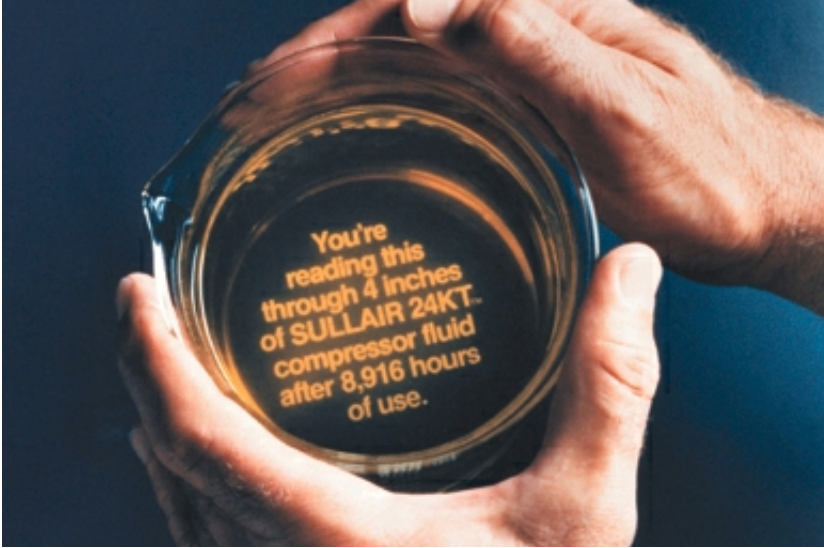

Key Benefits

- Rotary screw dependability for trouble-free operation
- 24KT™ lasts indefinitely—no critical fluid changes are necessary.
- No labor or fluid disposal costs
- Excellent compatibility with compressor components to assure long life

Sullair 24KT. Fluid that cuts your maintenance costs.

In 10 years, the compressor you purchase today will still be running strong and its 24KT™ fluid will be clean and clear.

24KT™ maintains constant viscosity.

24KT™ operates at peak performance in the widest range of temperatures.

24KT™ fluid lasts.

- There are no critical fluid changes to schedule.
- No labor costs, no fluid disposal costs.
- Except for routine maintenance, downtime is virtually eliminated.

24KT™ has excellent lubricity.

24KT™'s indefinite service life extends bearing life more than all other synthetic or petroleum-based fluids.

24KT™ Advantages

- 10 years of warranty protection for your compressor
- 10 years peace of mind for you.

Sullair offers AirMetrix™ solutions that help reduce energy costs and improve productivity by analyzing, managing, and controlling the total compressed air system.
